

Resubmit policy

If you want to improve your grade on a given assignment:

- you may re shoot and/or re print that assignment, (in part or in full) and resubmit it at any time up to the last day of class.
- late assignments (or late contact prints) cannot be resubmitted
- you can resubmit a maximum of 2 assignments overall, and only 1 on line assignment
- you cannot resubmit the same assignment more than once
- the highest grade possible on a resubmit is an A-

resubmits of printed assignments:

- please hand in ALL the old prints, the contact prints, and any new prints, when resubmitting
- label which prints are resubmits, with an 'R' on the back

resubmits of on line assignments:

- only 1 on line assignment can be resubmitted - this is because of the time necessary to grade on line assignments
- if you are using other images off the same contact prints, circle them
 - if you are shooting new images, you must print a new contact print of those
 - hand in all contact prints
 - in your existing Assg 3 (or Assg 5) folder, add new images to the existing ones, and title them 'resubmit 1', 'resubmit 2', etc
- remember that **.jpg** must be at the end of each file name or your images won't open
